TESTIMONIALS

“Alone we go faster, together we go further.” This African proverb sums up the very essence of collective intelligence. This is exactly what SVG Europe Women has been able to infuse since its creation.”

Lise Cosimi, Comité National Olympique et Sportif Français, General Manager, Chair of SVG Europe Women

“At Sky we are constantly evolving our diversity initiatives and continue to break down barriers. To be effective in this we need great partners and SVG Europe Women offers us an essential window into the sports production world that was previously fragmented, largely without a voice and rarely brought together.”

James Clement, Sky Sports, Director of Operations

“I always come away from an SVG Europe Women’s event with so many new ideas on how to improve engagement with women in the industry. Even though we’re dealing with an age-old problem, every event is fresh and enlightening, and the networking alone has led to new business and successful recruitment and new collaborations; working with SVG Europe Women has been an unmitigated success.”

Lucy Lake, QTV, Human Resources Manager
