**Nuno Duarte, Olympic Broadcasting Services (OBS),

“SVG Europe Audio provides events for peers to connect and a platform to share knowledge and achievements in an industry where it’s easy to be technically and operationally isolated. It provides inspiration too, encouraging me to be more progressive and forward thinking.”

“SVG Europe Audio fosters a strongly connected community of broadcast audio specialists, operators, managers, technologists, and solutions providers, across Europe, engaged in a lively exchange of new ideas, best practices, and opportunities for innovation.”

## TESTIMONIALS

*“Alone we go faster, together we go further.” This African proverb sums up the very essence of collective intelligence. This is exactly what SVG Europe Women has been able to infuse since its creation.”*

**Lise Cosimi, Comité National Olympique et Sportif Français, General Manager, Chair of SVG Europe Women**

*“At Sky we are constantly evolving our diversity initiatives and continue to break down barriers. To be effective in this we need great partners and SVG Europe Women offers us an essential window into the sports production world that was previously fragmented, largely without a voice and rarely brought together.”*

**James Clement, Sky Sports, Director of Operations**

*“I always come away from an SVG Europe Women’s event with so many new ideas on how to improve engagement with women in the industry. Even though we’re dealing with an age-old problem, every event is fresh and enlightening, and the networking alone has led to new business and successful recruitment and new collaborations; working with SVG Europe Women has been an unmitigated success.”*

**Lucy Lake, QTV, Human Resources Manager**
