**ADVANCING THE CREATION,
PRODUCTION AND DISTRIBUTION
OF SPORTS CONTENT IN EUROPE**

svgeurope.org

“SVG Europe is the leading pan-European industry association for the broadcast sports production community.

“By connecting broadcasters, producers, leagues, federations, clubs, OB companies, and technology providers, we drive innovation and foster collaboration across the industry.

“Through our live Summits, regional Forums, digital events and online content, we empower professionals to create, produce, and distribute world-class sports content.

“Our mission is to advance the art and science of sports production, enhancing both the industry’s sustainability and the viewer experience.

“With the support of our sponsors, SVG Europe serves as a vital knowledge resource, facilitating dialogue between professionals and technology developers to improve the quality, profitability, and future of sports programming.”

ALESSANDRO REITANO

Sky Deutschland, Vice President of Sports Production
Chair of the SVG Europe Advisory Board

* Presentations and case studies should be pre-recorded in advance unless there is a very compelling reason to do it live. In all cases, it is the responsibility of the sponsor to ensure that any slides and video work ahead of the event and that there is a strong internet connection for the presenter. For live presentations, SVG Europe will arrange to do a technical run-through ahead of the event. For pre-recorded video presentations, sponsors will be asked to deliver their content as an .mp4 ahead of the event so that SVG Europe can do a technical run through. All post-event videos will be hosted on SVG Europe YouTube channel and embedded into the SVG Europe website. It is the sponsor's responsibility to ensure that any copyrighted material and brand names within their presentation are cleared for use.

*** Sponsors will be asked to deliver a 30 to 90-second video showreel, sizzle reel, promo reel or advert to premiere during the event between editorial segments (subject to editorial approval and schedule). The content should be provided as an .mp4 file at least seven days ahead of the event so that SVG Europe can do a technical test. As post-event videos will be hosted on SVG Europe YouTube channel and embedded into the SVG Europe website, it is the sponsor's responsibility to ensure that any copyrighted material and brand names within their video are cleared for use.
